Welcome to Bharavi Pharmaceuticals Ltd

Bharavi Pharmaceuticals Ltd., headquartered in Vadodara, Gujarat, is a pioneering force in India's herbal, mineral, and ayurvedic product manufacturing since its inception in 1977. Our company is proud to offer a comprehensive array of specialised products across various segments including Orthopaedics, Urology, Gynaecology, Paediatrics, Skincare, and Haircare, available in both oral and topical forms such as Tablets, Capsules, Granules, Creams, Ointments, Syrups, Oils, and Gels. Located on Ajwa Road in Vadodara, our state-of-the-art manufacturing unit boasts sophisticated production lines and an in-process quality control system that ensures the highest standards of quality and efficacy. Our commitment to environmental responsibility is exemplified by the eco-friendly design of our facility, which is fully compliant with regulatory standards and holds a prestigious GMP certification. At Bharavi, our core belief centers on customer satisfaction, and this dedication has resulted in the creation of several highly acclaimed brands, widely recognized across India. Notable among these are Bi-quinol, Scabitex, Lopain, and many more, each representing our unwavering commitment to quality and excellence in healthcare.
