## Welcome To Bhumija Lifesciences

“Bhumija Lifesciences”, is renowned and leading organization engaged in Manufacturing, Trading and Supplying highly reliable range of Allopathic Medicines including Tablets, Capsule, liquids, injectables and Ointment. We also deal in Herbal Juice, Herbal Food Supplement, Protein Powder andHerbal Antioxidant. Incorporated in the year 2003, at Jaipur (Rajasthan, India), we are supported by ultramodern and huge infrastructural base that helps our production team to process qualitative herbal products in accordance with industry set standards. This unit comprises of sub-units such as procurement, admin, sales, R & D, processing, quality testing, transportation, warehousing, packaging, logistics, etc. All these units are well armed with essential amenities and controlled by highly capable and veteran team of professionals. We have also constructed a capacious and well equipped warehouse where we store these herbal products in a hygienic and organized manner. In addition to this, our easy payment modes, client-oriented approach, reasonable rates and positive records have enabled our firm to achieve huge success across the nation.
