

*Not just Healthcare
But Life care...*

Ambrosia Pharma[®]

About Ambrosia Pharma

Ambrosia Pharma is a leading pharmaceutical company that is dedicated to improving global health by providing innovative and effective medicines. Our company was founded on the belief that every person deserves access to high-quality healthcare, and we are committed to developing and delivering medicines that make a real difference in people's lives. Ambrosia Pharma is engrossed in manufacturing and supplying a wide range of formulations such as tablets, oral liquids, dry powder, capsules, injectable, eye & ear drops ointments, and ayurvedic products that are DCGI approved and safe to use for our customers. Our commitment to excellence extends beyond our products. We also place a strong emphasis on ethical behaviour, corporate responsibility, and sustain ability. We believe that by operating in a socially responsible manner, we can make a positive impact on society and contribute to a better world for all. At Ambrosia Pharma, we are passionate about improving health outcomes for people everywhere. We work closely with healthcare providers, researchers, and patient advocacy groups to understand the unique needs of patients and to develop products that meet those needs. Our mission is to be a leader in our industry, delivering innovative and effective medicines that improve health and well-being worldwide.

Our Mission & Vision

To achieve and sustain our position in pharmaceutical health care industry. Our continuous improvement translates into success and benefits for our team, our customers and communities. We always prefer to introduce new and upcoming molecules to make our customer more secure in Doctor's chamber and in the trade. We are committed to provide the quality products at very competitive rates. We are also committed to total customer satisfaction by meeting the exact requirements of the customers in shortest reasonable time. We promise to deliver the products on time for each order.
