Welcome to EMENOX HEALTHCARE

EMENOX HEALTHCARE is a division of MARION BIOTECH PVT LTD, a leading healthcare and wellness company with global presence. The company has a passion for innovation and a mission to redefine the healthcare scenario in India. Through our technology integration and holistic expertise, we aim for excellence in the Indian Pharmaceutical industry. Our product portfolio consists of all dosage forms in multiple therapeutic areas spread across various specialties. A broad spectrum of products, along with cutting-edge Research & Development and a culture of service to customers have helped us become a major player in the market. Our efforts remain directed towards capturing and developing novel therapeutic solutions for unmet needs of the medical profession. Our products and services are based on our strong capabilities, in-depth knowledge and technical know-how, advanced manufacturing and a strong sales and marketing team.
