Welcome To Florencia Healthcare

Florencia Healthcare was incorporated in 2011 with a vision to be India's renowned healthcare organization dedicated to the improvement of human health. The strategy of the company is to provide quality pharmaceuticals for international as well as domestic markets at an affordable price.Florencia embodies a very human spirit by always remaining at the forefront to introduce lifesaving drugs. The innovativeness, competitiveness and a will to succeed against all odds are the qualities that are at heart of FLORENCIA culture.The company envisions a leadership position in the domestic pharmaceutical market by building strong domestic business centered around the core strengths of marketing, innovation and R&D, besides, adhering to the “Business Ethics, Core Values & Culture” of the organization.
