Welcome to Bellan Pharmaceuticals

“SINCERE APPROACH TO DEVELOP A HEALTHY, CHERISHED, EVERLASTING HUMAN LIFE” aboutus1On 1991, Shri. Dinesh P Vadhadia, well-educated, skilled, efficient, procured very good experience in production, earlier he was a production manager in BAN labs Pvt. Ltd., now Managing Partner of Bellan Pharmaceuticals initiated his dream project at Por G.I.D.C, Vadodara- Dist. Gujarat and introduced full range classical medicines to the market with good Quality, good Finishing touch, attractive packing and reasonable price. Later, on 2002, he shifted his plant to a well-equipped, Schedule-T & GMP model plant at G.I.D.C, Makarpura, Vadodara, Gujarat with addition of PATENT DIVISION. Now we are having very good range of Classical and Patent medicines and our plant is running very successfully with ISO 9001:2015 Certification. We use traditional & modern techniques in production of our reputed medicines, along with sincere adherence to the strict rules of AYURVEDA. The methods of production and quality level are never compromised for the sake of cost. We are providing genuine products at genuine prices. Our aim is to develop a healthy generation in coming future and spread out Ayurvedic messages and its benefits as world wide. Big thinking – Effective implementation – Attractive presentation – Reasonable price, along with Quality and Honesty. That’s Bellan Pharmaceuticals.
