Welcome to Fortcaps Healthcare Ltd.

Fortcaps Healthcare Ltd. (a wholly owned subsidiary of Kumar Organic Products Limited) was incorporated in 1992 to cater to the ever-increasing demand of the pharmaceutical industry for capsules. We are currently amongst the Top 5 manufacturers of high quality Empty Hard Gelatin (EHG) and Pullulan (Satvik certified veg) capsules in India. Our manufacturing facility is located in Madhya Pradesh, India. Here we produce over 6.5 billion capsules annually on 16 state of the art fully automatic capsule manufacturing machines. Our geographical location places us in the heart of the country and gives us added dual advantages of nearness to suppliers and to customers.
