## Welcome to GENETIC PHARMA

Genetic is an independent Indian owned company, based out in Gujrat India. One of the most established, generally regarded and confided in pharmaceutical organizations in India. Genetic is trusted innovation, Manufacturer & Exporter of Pharmaceutical Products. Genetic operates by a code of conduct underscored by three tenets: integrity, quality and innovation. With these guiding principles, our mission is to be your manufacturing partner of choice. Genetic has become one of India's leading high-quality Manufacturer & Exporter of Pharmaceutical Products. We deliver solutions from concept to shelf to help companies of all sizes meet their development and manufacturing needs at any stage or scale. We provide a combination of unparalleled best-in-class quality, reliability and compliance. Having built a reputation for excellence in quality, operational reliability, integrity and innovation of products and services, Genetic is well positioned to deliver meaningful and sustainable long-term value for our partners around the world.
