Welcome to Kaprag pharmaceuticals

Kaprag Pharmaceuticals is a Haryana based pharmaceutical company which providing third-party manufacturing services. Our organization has more than 2000+ formulations of pharmaceutical products which can be taken care of the needs of marketing and pharma business, distributors, entrepreneurs and many other doctors' firms. Our professional range is a great choice for those business owners who want to launch and grow their own pharma brands. With its wide range of formulations, Business partners get the accessibility to various segments of pharma products and different categories of the therapies. The core value provides them quality assurance in order to maintain quality standards and assist timely processing of orders and professional co-ordination. In third party manufacturing pharma companies make their own brand products without manufacturing infrastructure. Kaprag Pharmaceuticals Is committed to establish the company as a prominent player in the Indian Pharmaceutical industry, by means of quality driven services and lucrative business potential, as well as commitment towards the health care. We are listed as 2000+ Formulations manufacturing.
