Welcome to Koral Pharma

Koral Pharma is engaged in manufacturing of various types of Ayurvedic medicines and Cosmetics. Founded in 1972 by Late Dr. Madhav Dattatray Rajpathak who was in the field of Ayurveda for 50 years as a teacher as well as eminent Ayurvedic Practitioner. Dr. Rajpathak was Dean of Faculty of Ayurvedic medicine, University of Pune, Maharashtra & Dean of Ayurved College, Nashik. He was also foundering member of Ayurved Seva Sangh, Nashik. The Company is making a steady progress on the path laid by his great vision, able guidance & leadership. In 1972 the company started its operations with launching of few Proprietary products. From 1982 it started manufacturing of Generic products like Ras Rasayan, Bhasma.
