WELCOME TO NEVRON

Nevron is one of India’s fastest-growing pharmaceutical companies, offering a comprehensive range of high-quality pharmaceutical goods including tablets, capsules, syrups, powders, and injectables.

Today we are one of the best emerging Indian Neuropsychiatry Pharma Company which commits to provide world-class medications at affordable prices. We are providing a monopoly based neuro pharma franchise in all the vacant states and districts of India. Our extensive neuropsychiatry product portfolio is WHO-GMP certified. We take pride in developing quality manufacturing of neuro products to provide high-end satisfaction to the customers and clients.
