Welcome to Om Medi Pharmaceuticals Pvt. Ltd.

Om Medi Pharmaceuticals Private Limited (OMPPL) is one of the India’s rapidly growing research, development & manufacturing company, specializing in the manufacturing of herbal formulations. At Om Medi Pharmaceuticals Private Limited (OMPPL), we focus on developing class products which are clinically proven and result oriented. People’s well-being is primarily the core of our organization. Ayurveda is considered as the most ancient existing healthcare system, and is over 4,000 years old. Ayurveda is a Sanskrit word that means "the science of lifespan." The word Ayurveda is made up of two roots: "Ayur" means life and "Veda" means knowledge. Om Medi Pharmaceuticals Private Limited (OMPPL), has been carrying out scientific researches over time using herbal components that have been mentioned in the Ayurvedic Pharmacopoeia of India. Our research team includes a panel of highly qualified and experienced doctors and a well trained staff.
