Welcome To PV Pharma Health Care Private Limited

PV Pharma is a global pharamceutical manufacturer & exporter for specialty products like Anti Cancer/Oncology Medicines, Life Saving Medicines, and Orphan Drugs. We are dealing in Branded parallel export as well as generic. We also deal in our own branded bio similar products as well as leader in patient name base import. The process of cancer medicine supply is an intensive one. A lot of research, monitoring, and sequencing is involved in the process. Quite naturally, that requires in-depth knowledge of Manufacturing and Marketing with high quality specialty formulations, state-of-the-art facility, team of dedicated professionals, and our worldwide network and presence. As the leaders in anti-cancer medicine manufacturer & suppliers, with appropriate infrastructure and perfect setup, we can manufacture & export targeted medications for cancer across the globe. We cater Wholesalers, Suppliers, Importers, Doctors, CROs, Hospitals, MOH Tender Supplies, NGOs and Institutional Buyers.
