Welcome to Shivay Herbals & Healthcare

Shivay Herbals & Healthcare, founded in 2010, is operating as the manufacturer, supplier and exporter of a diverse array of Herbal Products and is also an ISO 9001:2008 certified company. Our product range is comprehensive, which comprises of Essential Oils, Herbal Extracts and PG Extracts. The offered products are effective, have a long shelf life, safe to use, precise in terms of composition and free from contaminants. These products are widely used in various industries including health care and personal care. Our infrastructure facility is state-of-the-art built for streamlining of our various processes. We have a huge production unit armed with high-end machines including pulverizer, distillation and dryer for meeting the bulk production requirements. Our ingredients are procured from an authentic vendor base for marinating the international standards. We have a sophisticated quality control unit for maintaining stringent parameters of quality control and hygiene. Our products are stored in a systematic and spacious warehouse that is free from dust, moisture and pests. We follow innovative techniques of packaging, which are eco-friendly and ensure safety of products. Our transportation network is prompt and effective in enabling deliveries on time. Our professionals have earned us a reputed clientele by offering customized products at cost-effective prices. The clientele comprises of Ayurvedic Medicine Manufacturers from around the world.
