Welcome to Shree Loknath Pharmaceuticals

We are a growing pharmaceutical company engaged in developing & manufacturing of a broad range of Ayurvedic herbal medicine. We focus on providing holistic solutions for the contract manufacturing & loan license manufacturing needs of our clients. We offer Contract Manufacturing of Syrup, Capsule & Liniment forms. Depending on needs of our valued clients, our services include purchasing of raw materials, production, packaging and quality control. Through this flexible approach, we are able to integrate perfectly into supply chain for all forms. Monitoring and optimizing the timeliness of our delivery and keep it up to our customer's full satisfaction is our primary goal.
