Welcome to Synergy Health Sciences

We are a professionally managed pharmaceutical, intermediates and chemical services company, engaged into merchant exports, trading, providing technical support, indenting, strategic sourcing and facilitating contract manufacturing solutions. We have a presence in every continent through our agents and associates, thus assuring our clients prompt and first class services. Our network is built over three decades and enjoys high level of confidence, mutual trust and good will. We take pleasure in working collaboratively with all our associates and believe in long term strong relationships with them.
