Welcome To Trio Healthcare Pvt. Ltd.

Incepted in the year 1991, we, “Trio Healthcare Pvt. Ltd.”, are an ISO 9001:2008 Certified Company engaged in manufacturing, supplying and exporting superior range of Ayurvedic & Herbal Pharmaceutical Medicines. We have appointed qualified medical professionals and Ayurveda gurus who manufacture the whole gamut of products from natural herbs and premium quality raw material under the compliance of international quality standard to ensure perfect formulation. We also have skilled procuring agents to procure these factor inputs and herbs from certified vendors of the industry. All these products are well-tested on the parameters such as purity and composition. Our products are widely appreciated for effective treatment, high quality and zero side effects. Further, these products are available in various formulations and specific packaging options. We provide the whole gamut at highly competitive price in easy payment modes. Based in Ahmedabad (Gujarat, India), we have established a state-of-the-art infrastructure encompasses vast hygienic atmospheric lab and manufacturing unit that enables us to prepare extremely effective products. The unit is segregated into different other units such as quality control, warehousing, research and development, sales and marketing unit etc. Our team of skilled R & D personnel ensures the safe formulation and effective range of products that guarantees the complete treatment. Further, we have a team of highly dedicated professionals and Ayurveda gurus who work in the most coordinated manner to provide our clients a qualitative range of products. Their dedication and sincere approach make possible for us to provide cost-effective and more reliable products according to the requirements of our esteemed

clients. Further we constantly conduct various training sessions and learning programs to keep our experts up-to date with the latest market developments.
