Welcome To Unicare Remedies

Unicare remedies is giving health solutions and health services since 1997 in different forms with slogan "Let's make india healthy". Unicare remedies is the only company which gives personalised health solutions to the entire family, households and offices directly. Unicare is the first company in India to provide health services and health solutions at doorstep with the support of experienced Ayurvedic doctors and Health advisors. All products under UNICARE brand are manufactured in GMP certified factories. The products are prepared with traditional Ayurvedic system of medicine making. Unicare also conducts "Free health check up camp" for needy people with the support of world's largest NGO's like Lions club, Rotary club and others.
