Welcome To Uniroyal Biotech

Established in the year 2006, we, “Uniroyal biotech”, are engaged in manufacturing and marketing of Allopathic, Herbal Syrups, Juices, Cosmetics & Soft gelatin products. This range of products is carefully formulated with a hygienic process. We have invested lots of efforts to find a reliable vendor base to procure only pure as well as natural ingredients to formulate the herbal products. Our team makes use of ultra-modern technology to make the products with strict adherence to the rules and regulations of the herbal industry. Our products are widely applauded for hygienic formulation, long shelf life, airtight packing, purity and high effectiveness. Owing to this, our herbal products are used to cure diseases, treat skins and enhance human energy. We have constructed a best-in-class microbiological laboratory to conduct various research regarding our products. Our expert research team carries out various microbiological testing procedures, which helps to meet products protocol as well as validate sterilization processes. Apart from research, packaging plays a very important role in herbal products. We have hired a team of packing professionals, which use medical grade and non-toxic materials to wrap the products. Our wrapping material is featured with excellent oxygen as well as moisture barrier properties. We export our products to all major parts of Asia.Under the profound guidance of our highly respected mentor, 'Mr. Uttamjit Singh (Managing Director)'and other directors Mr. Rajinder Raheja, Mr. Satyan & Mr. Amit Gupta, we have achieved a leading position in the market.
