Welcome to Wiliance Pharmaceuticals Pvt. Ltd.

Wiliance Pharmaceuticals Pvt. Ltd. in India have come a long way since our establishment in the year 2013 and presently we are covering the whole of india through our marketing team of Medical representatives and Area managers. During this period of last 20 years, the company has built up a comprehensive base of prescribing doctors and a wide network of stockiest and retailers. Some of our brands like PEZPIN are well established in the market. Further, as a part of our expansion cum backward integration program and keeping in tune with our aim of providing the best quality medicines to the masses at affordable costs, we plan to set up our own production facility in the excise free zone of Himachal Pradesh, for which a new company has been incorporated under the name and style of Wiliance Pharmaceuticals Pvt. Ltd. in India and will have facilities to produce various formulations in Tablets, Capsules, Liquid, Dry Powder, Ointments and Aerosol Spray categories.
