Welcome to Wonset Healthcare Pvt. Ltd.

Wonset healthcare was established in 2012 with a team of high professionals. Wonset has created a marketing office at Jaipur for northern central zone operation. Wonset is an emerging pharmaceutical company in cardio metabolic segment and has made the therapy affordable for all cardio metabolic patients. Wonset is engaged in marketing and selling of high quality products for chronic disease patients especially in cardio metabolic segment. We have a team of over 100 dedicated & committed people who are striving hard to make Wonset a leader in this segment. We are first company to launch Orlisatat, an anti obesity drug at very affordable price in India. India being the third most obese country in the world, thousand of obese patients are benefited with the affordable price of Obeset. Wonset healthcare is committed to quality and committed to you. A company is determined to make strong presence all across India. We at Wonset offer widest range for cardio metabolic patients at very affordable price.
