

About Us

Samson Laboratories Pvt. Ltd. was established in the year 1979 by dedicated professional at New Delhi, founder of the organization was Lt. Sh. Janak Raj Goyal with a belief that every man, women and child is entitled to affordable medical care and freedom from pain and suffering with a nation-wise presence since inception. Samson- the group of companies that has earned its reputation for Quality, Availability & Consistency for healthcare professionals.

Samson- seen itself as a part of crusade for Healthier Future in a world of swift & radical changes, remained steadfast to its reputation. In its efforts to evolve as dedicated Pharmaceutical Company has placed great stairs in Pharmaceutical Innovation. "Samson is a name one can trust as we always provide products with quality, quantity and economy while taking care that we can serve Indian population in every aspect.

Samson is having its own manufacturing unit at Barotiwala (H.P) since 2005.

Samson is well equipped with latest machinery for production of various dosage form i.e. Oral Liquids, Capsules and Tablets. The manufacturing and monitoring operations are being carried out by highly qualified competent Pharma professionals with latest R&D equipped in house lab to provide best of quality. Priority is given to quality control department. Today our clientele include top ten pharmaceutical companies. Our wide range of products finest capacities to deliver the goods on time makes Samson the first choice for their manufacturing operations in India.

Samson endeavor to R&D of New Drugs & Molecules
