Welcome to Aarmed Formulations Pvt. Ltd.

Established in the year 2001, Aarmed Formulations Pvt. Ltd. has earned the faith of the healthcare industry as a manufacturer of pharmaceutical syrups and Vitamin D3 oral solutions. Located in Ahmedabad, Gujarat, the company endeavours to provide formulations of the highest quality, which are manufactured according to stringent industry standards. In terms of innovation, Aarmed Formulations guarantees that safe, effective, and reliable medicines are produced to satisfy diversified healthcare needs. Aarmed Formulation's current good manufacturing practices (GMP) state-of-the-art manufacturing facilities guarantee consistent quality of the products. Aarmed Formulations has carved out a niche for itself and has developed a reputation through a consistent, excellent approach towards all its pharmaceutical products. The products enable treating professionals to prescribe critical and essential therapies. Vitamin D3 oral solutions are intended to promote bone and overall health, while pharmaceutical syrups are for precise formulation for diverse therapeutic needs. The company keeps strict control over quality during the entire production process. The affordability and accessibility of its products give it a relative edge in terms of preference. It aims to improve continuously and broaden its establishment in domestic as well as international markets. Aarmed Formulations Pvt. Ltd. shall find new ways to advance healthcare with proven pharmaceutical solutions.
