## Welcome to Ability Bio Medical Services

Ability Bio Medical Services - Wholesale Trader and Retailer of Ultrasound Machine Patient Monitors Since 2010 in Vijayawada, Andhra Pradesh. Ability Bio Medical Services, which provides a full range of services to various ultrasound medical equipment across India, was established in 2010 and is headquartered at Vijayawada. It is started by a young, dynamic person, Mr. K. Sivarama Krishna, the CEO of this company. His rich ten years of experience in the field of sales and servicing of various newly advanced ultrasound medical equipment produced from AMD Health monitoring systems, etc., brought this company, Ability Bio Medical Services, to a greater height in a short span. Dependable, proven, and with a vast range of product and service offerings with the fullest customer satisfaction, Ability Bio Medical Services is now a leading sales and services biomedical consultancy of ultrasound units and probes to all parts of Andhra Pradesh. With an attitude to excel and provide the best service, Ability Consultants has grown rapidly from a single product to a multi-brand, multi-product company and is capable of supporting these products with spares/service backup as well.
