Welcome to ACCURA Healthcare Pvt. Ltd.

We don't wish to dream about it for ourselves. We wish to be an integral part of the success stories of our customers. Stay focused on medical and surgical care, we have been holding the flag of integrity aloft for decades, based on a value system, and wish to continue to help cherish the dreams of the needy. There are countless products hurled across. Hence our vision is to call a spade a spade, and provide the most needed innovative products and services, without compromising the quality for best affordable price. Peer review is what holds our vision and practice has been and will be. We trust your wisdom! You trust our deliverables! With over 2 decades of highly commended experience behind us, ACCURA Health Care Systems is a nice blend of quality product manufacturer and service oriented business house. ACCURA health care began to test the Health Care waters and took a plunge into Imports and Exports in 1998. There is no looking back ever since. We always rose to the occasion with the changing technologies and the changing needs. Needless to say we always went with innovation in design, and we promise to sail with innovation to accommodate the new comfortable designs in the field of medical and surgical equipment. We are specialists in Operation Theatre, ICU, Ward and Home health equipment. We strive to be an ace in the relevant segment of our business where state of the art is a continuous process.
