Welcome To Aeron Remedies

AERON REMEDIES is a trusted Pharma company with its own pharma manufacturing units. We're leading the way to a healthier future with products that touch the lives and improve the well-being of people and communities around. We develop breakthrough Medicines and vaccines that tackle unmet medical needs, we adopt positions and advocate for changes that will improve access to these products, and we find new ways to do the right thing for our constituents. This is particularly important today, because we live in a resource-scarce environment. Every Rupee, every dosage and every drop of water count. We shall always aim to develop and third party manufacturing service, facilitate procedures and policies that shall help us grow and help our partners in healthcare. We believe in the policy of transparency and work relationship- based on trust and mutual benefit. Our current corporate responsibility progress constitutes steps along a journey, accelerated by our unwavering commitment to expand access to health care, work toward true environmental sustainability, employ a diverse workforce that values collaboration and operate with the highest standards of integrity. We have an exciting pipeline of new Medicines and a growing presence in emerging markets. Over the past couple of years, our focus has been on health, safety, on our own environmental impact and on our people, all of which are of material importance to Aeron., we have made progress but we understand we have much further to go. I would like to thank all my employees for being the backbone of the organization and proving it time and again that we exist for a purpose- a purpose to surpass our customer's expectations. This journey of almost a decade would not have been as exciting and fulfilling without the unconditional support of all our customers. I would like to express my deep gratitude and

indebtedness to them and hope to improve each day to serve you better.
