Welcome To Agio Pharmaceuticals

Agio Pharmaceuticals Ltd. was established in 1991 to augment a focused approach towards global pharmaceutical marketing. Today, like the prism we have spread our aura of being a professionally managed and a committed organization over several countries. Understanding the strategic & operational needs along with tactical planning for each country enables us to enjoy the trust and support of the medical fraternities in the areas of Ethical & OTC medicines, Herbal formulations and Veterinary products. Hence we are a progressive total solutions provider with a vision that is global and an expertise which is local to various markets.
