Welcome to Agrud Pharmaceutical

Agrud Pharmaceutical was established in 2021 and has become a trusted name in the pharmaceutical industry as a manufacturer, wholesaler, trader, and service provider. The company offers a wide range of pharmaceutical products, including syrups, tablets, capsules, and other healthcare medicines. Agrud Pharmaceutical also provides allopathic PCD pharma franchise services to clients across different regions. The company is committed to delivering products that are known for their accurate composition, high purity, effectiveness, and long shelf life. Maintaining quality is one of the main goals of the company, and every product is handled with great care to meet industry standards. Agrud Pharmaceutical has developed a modern infrastructure facility equipped with advanced machinery and technology. The unit is divided into different departments such as manufacturing, quality testing, research and development, packaging, finishing, and warehousing. All business operations are carried out according to customer requirements and current industry guidelines. The company also has a spacious warehouse with proper storage facilities to ensure the safe handling of pharmaceutical products, herbal syrups, and hand sanitisers. With a focus on quality, customer satisfaction, and continuous improvement, Agrud Pharmaceutical continues to grow steadily in the pharmaceutical market.
