Welcome to Ajwad Perfumes

Ajwad Perfumes is a brand built to bring Fragrance and Beauty in your life through our wide range for Arabic Products. We specialize in Attars/Perfume Oils, Bakhoors, Arabian Aromatic Sticks and Non Alcoholic Perfumes. Our range of products are designed based on market research and customer feedback. Our products are handmade and perfected to quality. Perfume Oils or like we call it Attars are our fastest selling products due to its quality, beautiful fragrance and long lasting quality of the aroma it provides. We believe in serving our customers and providing them with quality products. Ajwad Perfumes makes fine scents with indistinguishable energy from a gem dealer. We begin from aromas made by Nature and afterward carefully make them into flawlessness .
