Welcome to AKESIS

``AKESIS`` is a Greek Deity symbolizing Healing Remedy Powers for good health of the humanity Akesis was the demi-god of convalescence, who ``brought to fulfilment`` recuperation from illness or injury. Akesiss Pharma belongs to Akesiss group of companies. The group has shaped its business in various independent health care verticals with the aim to deliver sustainable long-term value for patients, health care professionals, associates, partners and stakeholders across the globe. The Akesiss Pharma Group’s fully integrated business model spans across the entire product value chain, right from formulation development to processing and marketing.
