Welcome to Alexi Pharmicia Pvt. Ltd.

Our pharmaceutical company, Alexi Pharmicia, was established in India with the goal of producing high-quality, cost-effective medications. In just few years, it effectively launched a pharmaceutical company that is focused on research and has experience developing a variety of products. In the field of providing a high-quality and potent selection of pharmaceutical products, such as Third Party Pharma Manufacturing, Capsules, Tablets, Soft Gel Capsules, Syrups, Dry Syrups, Injections, and Drops, Alexi Pharmicia has commendably established a strong position for itself.
