Welcome to Alive-Veda Herbal Healthcare

Dr. Sandeep Wagh, Managing Director of Alive - veda Herbal Healthcare, Optimizes the dauntless spirit of a visionary who strongly believes in the root concepts of Ayurveda and traditional herbal formulation. he started learning ayurveda from his parents and followed it professionally by completing his degree in ayurveda and continued his quest for excellence in the subject under the mentorship of many eminent scholars and gurus. His passion for bringing his unique, time- tested formulations of healthy living across the world forms the inspiration behind alive- veda. Dr. Wagh's unique vision redefined the potential of Ayurveda, he discovered the vast untapped prospective of herbal formulations through intensive reserach and development.
