Welcome to Almo Herbal Health Care

In one of the lanes of historic gadwal in andhra pradesh, a small unani dispensary came into existence in the year of 1952. which was aimed at invigorating reviving and improving the ancient system of unani treatments. The men behind it was hakeem m.d hussain sahab, one of the well known unani practitioner of his time. the idea was in his mind to break away from old tradition and methods of practising making drugs and specific from his own closely graded formulations and selling them widely for every one needs.
