### Welcome to ALTOP HEALTHCARE

Established in the year of 2009, Altop health care is located at Village-Juddi Kalan, Tehsil- Baddi, Dist- Solan (H. P), India.

This plant is equipped for the formulation of Liquid oral, dry syrup, Tablets and Capsules beta lactum & non Beta lactum section. In Altop healthcare, all the Pharmaceutical Manufacturing Activities are carried out as per Schedule –M of the Indian Drugs & Cosmetics Act. The day to day licensing and regulatory activities are controlled by Drugs & Licensing Authority, Drug Controller, Baddi (H.P).

Altop Healthcare is situated on the outskirts of Chandigarh , at Baddi (H.P) and commissioned for commercial production from December-2011. It is located in a green belt and clean area away from polluting industries. The surrounding

atmosphere is free from dust & smoke. The in-house utility facilities are operated & maintained by in-house engineering / utility staff.
