Welcome to Amanta Healthcare

Amanta Healthcare, located in Ahmedabad (Gujarat) has emerged as India's most versatile manufacturer and marketer of sterile dosages in Aseptic Blow – Fill – Seal (BFS) and Injection Stretch Blow Moulding (ISBM) space with well integrated operations - F & D to full scale manufacturing & capability to develop customized solutions (containers, closures & drug delivery). Amanta Healthcare's manufacturing facilities based at Kheda (Gujarat) are designed keeping in mind the stringent requirements of regulated markets. Our facilities have been inspected by various International Regulatory Authorities. TGA - Australia

and MCC - South Africa has approved our Small Volume Parenterals facility.
