Welcome to Ambiens Pharmaceuticals

The Ambiens Pharmaceuticals is an upcoming speciality pharmaceutical company, with a balanced portfolio of branded products. Some of our branded products are been released and several others are in pipeline. We have an organised ambitious plan to achieve multi-layered growth by combining internal product development, together with strategic collaborations & synergistic acquisition of products and business. Uplift in product range and chain of drug supply is at present our immediate priority. We intend to provide every patient with easy access, effective treatment at an affordable price.
