Welcome To Ambrosia Pharma

Ambrosia pharma is engrossed in manufacturing and supplying a wide range of formulations such as tablets, injections and new drugs that are DCGI approved and safe to use for our customers. We envision bringing new, highly advanced medicines at competitive prices alongside changing our customer's life for the better. To achieve and sustain our position in the pharmaceutical health care industry as a company whose continuous improvement translates into success and benefits for its customers, communities, and its team. Ambrosia Pharma having its own manufacturing unit in Baddi(H.P.), manufactures safe high-
quality products not only for our mission but also to build trust, reduce reputational risk and improve operational efficiency. Ambrosia pharma was started with just a few products and is continuously upgrading and developing under the guidance of our experienced and skilled managers. Our company is expanding its market and is continuously communicating with the other companies and organisations. We have a wide range of products these include analgesics, antibiotics and anti-
infectives, anticold and antiallergics and antipsychotic drugs. Apart from these, our range also includes cardiovascular drugs, Gastro and Antiemetic and anti-
ulcerate, Haematiniscs, hormones, neurology supplements, and nutritional supplements. Our entire range also encompasses Tablets, Oral liquids, dry powder, capsules, injectable, ointments, eye and ear drops, ayurvedic products. Our company is committed to quality and safety and provides not just health care but life care.
