Welcome to Amsarveda

Amsar is an Indian company established over 5 decades ago with a reputation of being the finest manufacturer of standardized full spectrum herbal extracts. With a strong foundation in chemistry and pharmacology AMSARVEDA produces over 400 herbal extracts that are considered to be of the highest standard in the industry. A primary supplier of extracts to the “who’s who” of Indian Ayurvedic industry. Amsar owns two GMP manufacturing facilities with a total area of over 160,000 sq. ft.
