Welcome To Amy Lifesciences

AMY Lifesciences is a registered Indian Pharma company engaged in manufacturing and marketing of world class Pharmaceutical Medicines. We have been accredited with ISO 9001:2015 certification. We at AMY Lifesciences, focus on providing high quality products at affordable price to our customers with dedicated customer service. We operate on monopoly rights business strategy which gives our business associates a competitive advantage for their growth.

With a remarkable imprint all over the globe, allopathic medicines are the most widely used medicines. Continuing this availability, we, AMY Lifesciences, are an influential Manufacturer, Exporter and Supplier of these antibiotics. We have been vibrant in the processing of Allopathic Medicines in the form of Tablets, Capsules and Syrups. All offered products are prepared using quality tested ingredients at well-equipped infrastructure manufacturing unit. The product range assures its features like the leak-free packaging, accurate composition, and high effectiveness.

We provide promotional material to help our business associates for better reach in the market. We empower our business associates with all the resources that are required to market our products, maximize sales and capitalize on upcoming opportunities

Our company is promoted by highly experienced and technically qualified staff for every supply that we provide. Teamwork is our major positive factor and so each department of our company is

harmonized in such a way that the work flow is intact and highly efficient. Under the Leadership of Mr. Parvesh Gupta (Managing Director), we have gained a huge clientele across the nation.
