Welcome to Anand Cattle Feed Agency

Anand Cattle Feed Agency, established in 2018, is a prominent wholesale company in offering a highly diversified range of livestock feeds. Some of the various offerings include cattle feed, boiler feed, claf grower, dal chunni, and groundnut oil cake. The agency is known for highly nutritious yet very affordable feed solutions for farmers. It has built a strong reputation in the industry with a focus on quality and customer satisfaction; hence can be trusted by livestock owners because of their commitment towards excellence.
