Welcome to Andhra Medi Pharma India Pvt. Ltd.

Andhra Medi Pharma India Pvt Ltd is a reputed organisation specialised in the production and marketing of quality Chitin and Glucosamine in India for over a decade. We have also established our presence in the global market. Our products are manufactured with highest regard for quality in a state-of-the-art production facility supported by QC laboratory equipped with sophisticated instrumentation and skilled manpower. Our QC laboratory has analytical instruments like Head space GC, HPLC, TLC, etc for use in the analysis of raw materials and finished products. With a strong technical background in Glucosamine, the company uses shrimp shells as raw materials to produce Chitin, Chitosan and quality Glucosamine, for markets across the globe. These products are widely used in agriculture, medicine and cosmetic products.
