Welcome to Anexas Pharmaceuticals Pvt. Ltd.

Anexas Pharmaceuticals Pvt. Ltd. is an Agra (UP) based Ethical Pharmaceuticals Company incorporated in Oct 2002 with a vision of “Quality Medicines for all at affordable prices”. The company was incorporated as a Proprietorship Company under the able leadership of Mr. Ajeet Kumar Saxena and Mr. Sujeet Kumar Saxena with the kind blessings of Late Sri. Surendra Prakash Saxena. In 2017, Anexas Pharmaceuticals turned into a Private Limited Company, ANEXAS PHARMACEUTICALS PRIVATE LIMITED (APPL) Since beginning, prime focus of APPL has been in OPHTHALMOLOGY (EYE CARE) segment. Started with only 2 Eye drops IMAZE & EXOZ ,Anexas soon became a synonym for Quality Eye Drops. IMAZE eye drop owing to its quality and efficacy has now become a big and important brand for the company. Now After 23 years of successful operations,Anexas now has more than 55 Brands in its arsenal. We are the pioneers in introducing many brands for the 1st time in the country and a few are introduced as no. 2nd or 3rd in the country. We adopted the revolutionary FFS Technology in 2006 for the Eye Drops’ dispensing vials technique. Since we believe in innovation & new ideas, most of our Eye drops are now PRESERVATIVE FREE or with the Gentle Preservative, Stabilized Oxychloro Complex (SOC) and are filled in recommended GREEN TEAL Vials. .In a short span of time, Anexas Pharmaceuticals has its strong presence in 7 states Pan India & has a prolific and trustworthy professional relationship with reputed and experienced Ophthalmologists all across
