Welcome To Ansel Life Care

We “Ansel Life care” is a Partnership based company, established in the year 2015 at Chandigarh (India), enthusiastically involved in manufacturing and supplying a wide array of Antibiotic Tablets and Pharmaceutical Injections. Our provided pharmaceutical products are broadly renowned in the market, owing to their excellent features including high purity, no size-effects, high effectiveness, long shelf life and accurate composition. Offered products are extensively demanded in numerous medical shops, clinics and similar other places. These products are processed by our adroit professionals using quality assured chemical compounds and modern machines in tune with the set medical industry norms. Also, before their final dispatch, these products are tested by our experts on numerous parameters. Apart from this, clients can buy these quality approved pharmaceutical products from us in bulk and at feasible prices. Our spacious infrastructure is the main support for meeting the bulk requirements of the respected clients. It is laced with highly developed machines and equipment. We have parted this modern unit into numerous departments in order to streamline the entire business process. Our manufacturing lab is laced with all latest machines that have the capacity for mass production. Procuring, production, quality testing, warehousing, packaging etc are some of the departments that work in coordinative manner in order to attain the set targets of the company within the set time. Our firm’ whole operations are carried out under the skillful guidelines of our mentor “Ajay Kumar”, who has helped us in placing a notable status in this competitive industry.
