## Welcome To Anugraha Chemicals

Anugraha Chemicals, a company engaged in Contract Manufacturing and Manufacturing of APIs, Intermediates and Fine Chemicals, was established in 1991 and has a rich experience of over two and a half decades in the Pharmaceutical arena. The unit is located at KSSIDC Industrial Estate, Doddaballapur, Bangalore, India, about 25kms drive from Kempegowda International Airport. The facility is currently GMP certified and is in compliance with ISO 9001-2008 QMS, 14001-2004 EMS, 18001-2007 OHSAS and HALAL. We are working on upgrading the facility to comply with WHO-GMP. The facility houses a well equipped R&D and Pilot Scale Lab designed to manufacture low volume-high value products. Our consistent Quality and GDP (Good Documentation Practice) backed with competitive pricing and delivery timeliness has earned us many testimonials. Along with its competitive and customer oriented business strategies, Anugraha is committed to comply with relevant Safety, Health and Environment Policy. The OHSAS certification awarded to us is a testament.
