Welcome To Apex Laboratories Private Limited

Started in 1978, apex laboratories has been under the able leadership of Mr.S.S.Vanangamudi who is heading the company as the Chairman & Managing Director.The company is a pioneer in the introduction of Zinc based formulations in India and continues to be the brand leader in the Multivitamin Mineral Supplements segment. The company's growth is powered by its focus on manufacture and supply of quality products, formidable sales & marketing strength, 100% ethical marketing, growing market acceptance of the products and continued patronage by the medical fraternity.With humble beginnings and 4 decades of growth history, the company today boasts of a formidable people strength of over 2100, strong manufacturing capability with continuous technology improvement, all-India market presence in branded formulations, excellent distribution network, and successful foray into herbal products. The company is ranked among the top 50 fastest growing pharmaceutical companies in India by ORG-IMS.
