## Welcome To Apple Biotech

Apple Biotech is committed to ensure that every product it manufactures and distributes meets with internationally accepted standards of quality, purity, efficacy and safety. Ours is a state of the art manufacturing facility equipped with latest automatic machinery and analytical instruments. The plant is Schedule 'M' certified and manufacturing is carried out with GMP (Good manufacturing practices). The company is ISO 9001:2008 certified which happens to be latest among all certifications from European certification bodies. Apple Biotech is one of the fastest growing pharmaceutical company with a vast range of products. Our range includes Tablets, Capsules & Syrups. We also deal in Dietary & Food supplements/ Anti-oxidants which are available in Blended pellets and Powder form.
