Welcome to Apple Formulations Pvt. Ltd

Embedded in the very core of Apple formulations is a passion for transforming the pharmaceutical industry worldwide. We are a prominent global pharmaceutical company offering branded & generic formulations, biotechnology products, active pharmaceutical ingredients (APIs), and specialty. We are also one of the most significant players in the domain of medicinal production and distribution in the areas of Gynaecology, Cardiovascular, Diabetology, Asthma, Paediatric Care, Central Nervous System (CNS), Gastro-Intestinal (GI), Anti-Infective (AI), and Non-Steroidal Anti-Inflammatory Drugs (NSAIDs). All our facilities are approved by international regulatory agencies, with research and development sites across the globe. With the latest technologies and advanced infrastructure, we offer high-quality yet affordable medicines for some of the most chronic diseases addressing unmet needs in many parts of the world.
