Welcome to Arco Lifesciences Pvt. Ltd.

Arco Lifesciences (I) Pvt. Ltd. is one of the leading manufacturers of Injectable medicines in Central India, Nagpur. Established in the year of 2004, the company has developed a wide portfolio of generic as well as speciality products, including the specialized Contrast Media injections. Arco Lifesciences is largely engaged in R&D and manufacturing of Small Volume Parenteral (SVP) products along with Speciality Liquid Oral Products. We have a state of the art sterile manufacturing unit where we manufacture the best quality products for everyone. Being committed to the quality healthcare, we continue to develop specialized products, our Contrast Media range of products stands as an example. We are among the very few Indian companies to have launched and marketed various specialty products viz. X-ray & MRI contrast media products (Ionic & Non-ionic Iodinated contrast media) and many other specialty formulations.
