Welcome to Arnav Pharma Chem and Dyestuffs

Arnav Pharma Chem & Dyestuffs is India’s One of The Fastest Growing Pharmaceutical Company Since last 11 years, engaged in the field of Manufacturing & Trading of Bulk Drugs, Active Pharma Ingredient, High Purity Speciality Chemicals of BP / EP / USP / NF / and ACS Grades as well Pharmaceuticals finished Formulation in Generic Name. We ensure consistent Standard quality with the international standards, like FDA approved factory, DMF, GMP, USFDA, c-CGMP, ISO & WHO Certification. Also offer Koshar Certificate and Halal certificate upon request. We also Produce and Market wide range of excellent quality formulations, at affordable Price either Branded or in Generic name. Generic formulations is our biggest business which brings good health to many by offering high quality generic versions of expensive innovator medicines. This offers medicines at an affordable cost as quickly as possible to patients around the world. We make these medicines affordable by leveraging our integrated value chain of producing the active ingredients, product development skills, in-depth knowledge of regulation and intellectual property, and our streamlined supply chain. In the developed markets our medicines are available under their generic names and are called pure or unbranded generics.
