Welcome to Aroma Factory

We provides a variety of natural attar, perfumes, air fresheners for home, office, and car, as well as bakhoor and bahoor dani. Our products are made from natural ingredients, making them safe and suitable for people with sensitive skin. With a range of scents available, from floral to fruity to woody, there is something for everyone. Aroma Factory's bakhoor and bahoor dani are also popular, creating a relaxing and soothing atmosphere in homes and mosques. Overall, Aroma Factory offers high-quality, natural products perfect for creating a refreshing atmosphere in any space. Aroma Factory manufacture its own range of perfumes and proud to offer a wide range of high-quality, natural Attar oils that are made using traditional Indian methods. We believe that fragrance is an important aspect of daily life, that is why we have curated a collection of exquisite Attar fragrances to suit all tastes and preferences.
